

You should be very proud right now.

The nails you drove, the siding you installed, the ReStore shelves you stocked and the walls you raised are making it possible for people to spend the holidays in a quality, affordable home of their own.

They can enjoy gathering with family because they no longer live in substandard and overcrowded situations.

They can decorate because they are in control of their own homes.

They can afford heat because their home is energy efficient and their mortgage is affordable.

They can be at peace because of the stability and safety a home of their own provides.

As a volunteer, you make all of this possible. You saw a need, and you made it your responsibility to help. Thank you.

Together, we have built, rehabilitated or repaired over 565 homes in Lexington. It simply would not be possible without the 30,000+ hours volunteers like you contribute every year. You are the backbone of what we do. As affordable land becomes scarce and materials become more expensive, the cost to build is rapidly rising.

We have to ask you for your help.

It costs \$73 to build one square foot of a Lexington Habitat for Humanity home. Would you make a donation to help us build more quality, affordable homes together in 2020?

Sincerely,
Your Lexington Habitat for Humanity Team

700 East Loudon Avenue | Lexington, KY 40505-3622 | 859.252.2224 | info@lexhabitat.org | lexhabitat.org

Together, we're building a world where everyone has a decent place to live.
